

How to Access DEWS and CCREWS

Please follow the instructions below to access the Dropout Early Warning System (DEWS) and the College and Career Readiness Early Warning System (CCREWS). If you need help please contact the WISEdash Helpdesk by starting a help ticket at <https://dpi.wi.gov/wisedash/help/ticket>.

Step 1. Get a WAMS ID

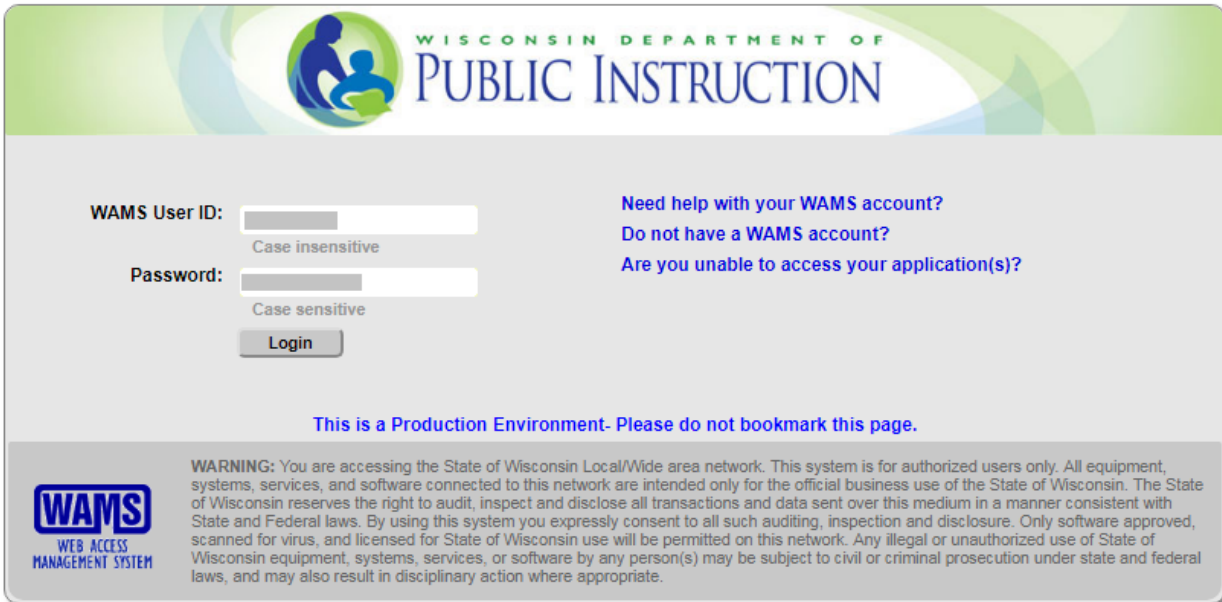

Follow the instructions at <https://dpi.wi.gov/wise/secure-home-info> to get a Web Access Management System (WAMS) ID.

Step 2. Get WISEdash for Districts Access from Your Application Administrator

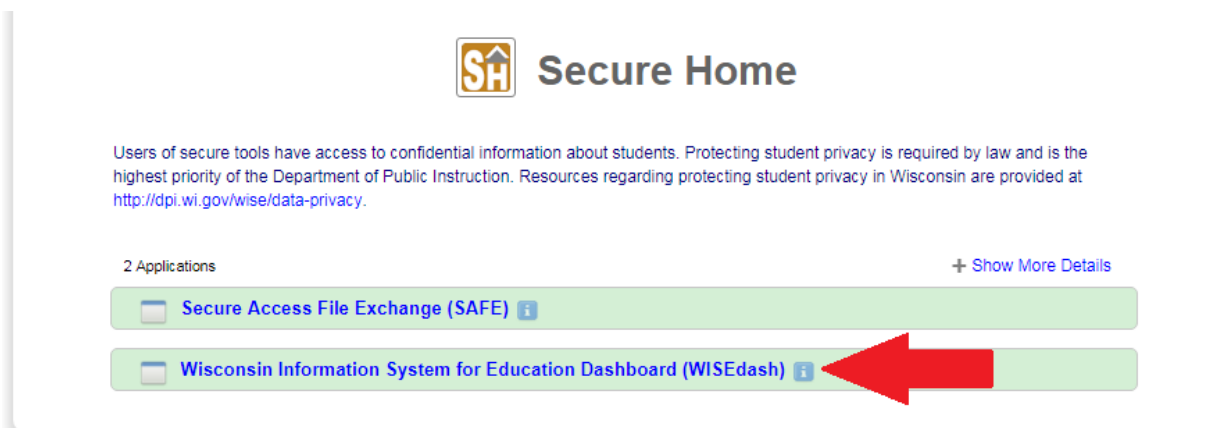

Follow the instructions at <https://dpi.wi.gov/wise/secure-home-info> to get access to WISEdash for Districts.

Step 3. Login to WISEdash for Districts

Access to all secure tools offered by DPI is available through Secure Home. Enter <https://apps2.dpi.wi.gov/secure/home> in your browser, enter your WAMS User ID and password, and click the Login button.

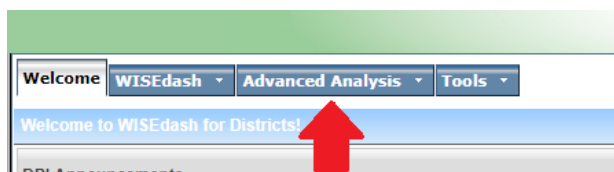

The image shows a screenshot of the WAMS (Web Access Management System) login page. At the top, there is a header with the Wisconsin Department of Public Instruction logo and name. Below the header, the login form is displayed. It includes fields for "WAMS User ID:" and "Password:", both with "Case insensitive" text below them. A "Login" button is positioned below the password field. To the right of the login fields, there are three links: "Need help with your WAMS account?", "Do not have a WAMS account?", and "Are you unable to access your application(s)?". Below the login fields, a message states "This is a Production Environment- Please do not bookmark this page." At the bottom left, there is a "WAMS WEB ACCESS MANAGEMENT SYSTEM" logo. At the bottom right, there is a "WARNING" section with text regarding the use of the system and the State of Wisconsin's policies.

Next select Wisconsin Information System for Education Dashboard (WISEdash).

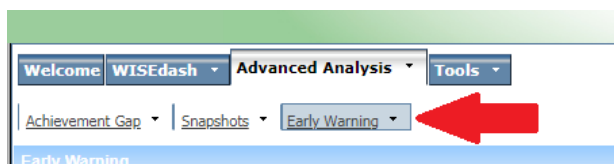

Step 4. Go to the Early Warning Dashboard

First select the Advanced Analysis tab.

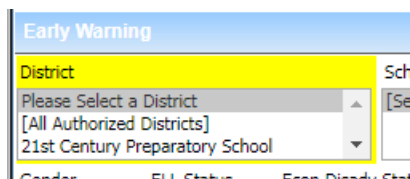

Then select the Early Warning tab.

Step 5. Select a District

Select your district in the District drop-down menu.

Then click the Go button, found on the right side of the page.

Step 6. View DEWS or CREWS Information in the Student List

The student list is displayed. The list contains DEWS information by default.

When DEWS is selected the student list includes the following columns with DEWS information. For more information on DEWS data see the [DEWS About the Data page](#).

- Latest DEWS Outcome
- DEWS Mobility
- DEWS Discipline
- DEWS Attendance
- DEWS Assessments
- DEWS Outcome Date

Filter or sort the student list by clicking the student list header. For example, if you only want to include students where the Latest DEWS Outcome is High, click the Latest DEWS Outcome drop-down menu and select High.
